

## SAN LUIS COASTAL UNIFIED SCHOOL DISTRICT

### JOB DESCRIPTION

#### SCHOOL NURSE

##### Description of Position:

As part of the Student Services Division conducts a health services program at one or more schools, grades K-12, for the evaluation, improvement, and protection of the health of pupils and school personnel in accordance with State law and Board policies, rules, and procedures. Assists in other school programs as assigned.

##### Duties and Responsibilities

1. Assists pupils, parents, and staff to obtain optimum well-being by identifying those in need of individual and group health counseling and to assist families in remediation of health problems.
2. Assists in the appropriate educational placement of exceptional children and youth.
3. Protects the well-being of pupils in schools by assisting in the prevention and control of communicable diseases.
4. Assists in setting and maintaining standards of emergency care.
5. Assists in the provision of a safe and healthful school environment.
6. Assists pupils, parents, and teachers to adapt to pupils with irremediable health problems and to plan appropriate programs.
7. Assists with the health education of pupils.
8. Serves as a school health liaison between District and community agencies and medical care facilities.
9. Maintains professional competence through participation in in-service education activities provided by the District and/or self-selected professional growth activities.
10. Performs various supervision duties as assigned.
11. Performs reasonable additional duties as assigned.

##### Supervision:

Under the general supervision of the Coordinator of Student Services.

Adopted: August 7, 1979
