**Compiled by Lydia Bourne, Leg Advocate**

- AB 11**     **(McCarty D) Early and Periodic Screening, Diagnosis, and Treatment Program: screening services.**  
**Introduced:** 12/5/2016  
**Status:** 3/15/2018-Referred to Com. on HEALTH.  
**Location:** 3/15/2018-S. HEALTH  
**Summary:** Would require, consistent with federal law, that screening services under the EPSDT program include developmental screening services for individuals zero to 3 years of age, inclusive, in compliance with the periodicity schedule and the standardized and validated screening tools that are established by the Bright Futures/American Academy of Pediatrics Recommendations for Preventive Pediatric Health Care and by any future updates to those recommendations. The bill would also make legislative findings and declarations relating to child development.

- AB 1798**     **(Chu D) Schoolbuses: passenger restraint systems.**  
**Introduced:** 1/9/2018  
**Status:** 4/25/2018-In committee: Set, first hearing. Referred to APPR. suspense file.  
**Location:** 4/25/2018-A. APPR. SUSPENSE FILE  
**Summary:** Would require that, on or before July 1, 2035, all schoolbuses in use in California be equipped with a passenger restraint system, as defined. Because a violation of the bill's requirements would be a crime, the bill would impose a state-mandated local program.

- AB 2022**     **(Chu D) Pupil health: mental health professionals.**  
**Introduced:** 2/5/2018  
**Status:** 4/25/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 11. Noes 2.) (April 24). Re-referred to Com. on APPR.  
**Location:** 4/24/2018-A. APPR.  
**Summary:** Would require, on or before December 31, 2021, a school of a school district or county office

of education and a charter school to have at least one mental health professional for every 600 pupils generally accessible to pupils on campus during school hours. The bill would require, on or before December 31, 2021, a school of a school district or county office of education and a charter school with fewer than 600 pupils to have at least one mental health professional generally accessible to pupils on campus during school hours, to employ at least one mental health professional to serve multiple schools, or to enter into a memorandum of understanding with a county agency or community-based organization for at least one mental health professional employed by the agency or organization to provide services to pupils.

**AB 2109 (O'Donnell D) Pupils: pupils with a temporary disability: individual instruction: pupils who are terminally ill: honorary diplomas.**

**Introduced:** 2/8/2018

**Status:** 4/26/2018-Read second time. Ordered to Consent Calendar.

**Location:** 4/26/2018-A. CONSENT CALENDAR

**Calendar:** 4/30/2018 #97 ASSEMBLY CONSENT CALENDAR 1ST DAY-ASSEMBLY BILLS

**Summary:** Would require a pupil with a temporary disability to receive either individual instruction at home provided by the school district in which the pupil is deemed to reside, or individual instruction in a hospital or other residential health facility, excluding state hospitals, provided by the school district in which the hospital or other residential health facility is located. The bill would authorize a school district or charter school to continue to enroll a pupil with a temporary disability who is receiving individual instruction in a hospital or other residential health facility in order to facilitate the timely reenry of the pupil in his or her prior school after the hospitalization has ended, or in order to provide a partial week of instruction to the pupil, as provided.

**Introduced:** 2/13/2018

**Status:** 4/23/2018-Re-referred to Com. on APPR.

**Location:** 4/19/2018-A. APPR.

**Summary:** Federal and state regulations prohibit an educational institution from applying any rule concerning a pupil's actual or potential parental, family, or marital status that treats pupils differently on the basis of sex. This bill would codify those regulations and related regulations in state law.

**[AB 2444](#) (Burke D) Pupil health: eye and vision health.**

**Introduced:** 2/14/2018

**Status:** 4/11/2018-In committee: Set, first hearing. Hearing canceled at the request of author.

**Location:** 3/5/2018-A. ED.

**Summary:** Current law requires a school nurse or other authorized person to appraise the vision of a pupil during kindergarten, or upon first enrollment or entry of that pupil in a California school district at an elementary school, and in grades 2, 5, and 8, as specified. Current law requires the State Department of Education to adopt guidelines to implement the provisions relating to these pupil vision appraisals, including training requirements and a method of testing for near vision. This bill would apply these provisions to elementary schools under county offices of education and to charter schools that serve elementary school pupils, in addition to elementary schools under school districts, thereby imposing a state-mandated local program.

**Status:** 4/11/2018-In committee: Set, first hearing. Referred to APPR. suspense file.

**Location:** 4/11/2018-A. APPR. SUSPENSE FILE

**Summary:** Would require charter schools to ensure that all pupils in grades 7 to 12, inclusive, receive comprehensive sexual health education and HIV prevention education, as specified. By imposing additional requirements on charter schools, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**[AB 2668](#) (Allen, Travis R) Pupil immunizations: pupils not immunized.**

**Introduced:** 2/15/2018

**Status:** 4/5/2018-Re-referred to Com. on HEALTH. pursuant to Assembly Rule 96.

**Location:** 4/5/2018-A. HEALTH

**Summary:** Current law prohibits the governing authority of a private or public elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center from unconditionally admitting any person as a pupil of one of those institutions, unless, before his or her admission to that institution, he or she has been fully immunized against various diseases. Existing law exempts pupils in a home-based private school and pupils enrolled in an independent study program and who do not receive classroom-based instruction from that prohibition. This bill would delete private institutions, including private elementary and secondary schools, child care

centers, day nurseries, nursery schools, family day care homes, and development centers, from these immunization requirements, thereby allowing pupils who do not meet those immunization requirements to enroll in those institutions.

**[AB 2691](#) ([Jones-Sawyer D](#)) Pupil health: pupil and school staff trauma: Trauma-Informed Schools Initiative.**

**Introduced:** 2/15/2018

**Status:** 4/25/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 15. Noes 0.) (April 24). Re-referred to Com. on APPR.

**Location:** 4/24/2018-A. APPR.

**Summary:** Would establish within the State Department of Education the Trauma-Informed Schools Initiative to address the impact of adverse childhood experiences on the educational outcomes of California pupils. The bill would require the department to take specified actions, on or before December 31, 2019, to implement the initiative, including developing and posting online an Internet Web site with information regarding the trauma-informed care approach, as defined, and a guide created by the department for public schools, including charter schools, on how to become trauma-informed schools, as defined.

**[AB 2965](#) ([Arambula D](#)) Medi-Cal: immigration status: adults.**

**Introduced:** 2/16/2018

**Status:** 4/18/2018-From committee: Do pass and re-refer to Com. on APPR. (Ayes 11. Noes 4.) (April 17). Re-referred to Com. on APPR.

**Location:** 4/18/2018-A. APPR.

**Summary:** Would extend eligibility for full-scope Medi-Cal benefits to individuals of all ages who are otherwise eligible for those benefits but for their immigration status. The bill would delete provisions delaying eligibility and enrollment until the director makes the determination described above. The bill would require the department to provide, indefinitely, the above-described monthly updates to the legislative committees. Because counties are required to make Medi-Cal eligibility determinations and this bill would expand Medi-Cal eligibility, the bill would impose a state-mandated local program.

**SB 1269 (Hueso D) Schoolbus safety: child safety alert system.**

**Introduced:** 2/16/2018

**Status:** 4/25/2018-Set for hearing May 1.

**Location:** 4/19/2018-S. T. & H.

**Calendar:** 5/1/2018 1:30 p.m. - John L. Burton Hearing Room (4203) SENATE TRANSPORTATION AND HOUSING, BEALL, Chair

**Summary:** Current law requires all schoolbuses to be equipped with certain safety features, as specified. Existing law requires, on or before the beginning of the 2018-19 school year, schoolbuses, school pupil activity buses, except as provided, youth buses, and child care motor vehicles to be equipped with a child safety alert system, which is a device located at the interior rear of a vehicle that requires the driver to either manually contact or scan the device before exiting the vehicle, thereby prompting the driver to inspect the entirety of the interior of the vehicle before exiting. This bill would postpone that requirement until the beginning of the 2019-20 school year. This bill would declare that it is to take effect immediately as an urgency statute.

**SB 1287 (Hernandez D) Medi-Cal: medically necessary services.**

**Introduced:** 2/16/2018

**Status:** 4/16/2018-Read second time and amended. Ordered to third reading.

**Location:** 4/16/2018-S. THIRD READING

**Calendar:** 4/30/2018 #47 SENATE SEN THIRD READING FILE - SEN BILLS

**Summary:** Current federal law provides that EPSDT services include screening services; vision services; dental services; hearing services; and other necessary health care, diagnostic services, treatment, and other measures described in specified federal provisions to correct or ameliorate defects and physical and mental illnesses and conditions discovered by the screening services, whether or not the necessary services are covered under the state plan. Under current state law, a service is "medically necessary" if it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain. This bill would revise the Medi-Cal definition of "medically necessary" for purposes of an individual under 21 years of age to incorporate the existing description of necessary EPSDT services under federal law.
